

ENTRANCE AGE

In an attempt to permit children to enter kindergarten and first grade at the time most appropriate for them individually, the school committee establishes the following policy on entrance age **effective September 2008**.

1. A child who will have attained the age of five years by August 31, may be enrolled in kindergarten of the North Attleborough Public Schools. There are no exceptions to this requirement.
2. A child who will have attained the age of six years by August 31, may be enrolled in grade one of the North Attleborough Public Schools. There are no exceptions to this requirement.
3. Initial admission of children to other grades will involve a consideration of both chronological age and readiness of the children to do the work of those grades.
