

Hat Day Fund Policy

Proceeds from the Hat Day Fund, to be held on specified half days throughout the school year, shall be donated to a charity cause and or organization on behalf of any presently enrolled Martin School student who may be afflicted with or affected by a serious health related issue. Requests may be brought to the attention of the MSA either directly or through the school principal. This donation may be up to, but not exceed \$250.00, as voted by the Martin School Association.

All requests for donations must be submitted to the MSA by April 30. The requests will be voted on for disbursement at the May MSA meeting. Checks are written by the MSA treasurer and issued directly to the designated organization. Any monies remaining in the fund at the end of the MSA fiscal year are to be donated to the Jimmy Fund on behalf of the Martin School.
